

NOTICE OF REVIEW OF POLLING DISTRICTS AND POLLING PLACES 2018

The Review of Polling Districts and Polling Places (Parliamentary Elections) Regulations 2006

The above regulations require each local authority to carry out a review of Polling Districts and Polling Places on a five-yearly basis. The reason for this review is to ensure that all electors within North Somerset have such reasonable facilities for voting as are practicable and to ensure that polling stations are accessible to all electors, including those with special needs.

The consultation period will commence on **Tuesday 2 October 2018**

The Acting Returning Officer for the Parliamentary Constituencies of Weston-super-Mare and North Somerset will be consulted and will make formal comments on the existing polling stations and the polling stations that would probably be used based on any newly recommended polling places. These comments will be published within 14 days of receipt.

Representations and comments are invited from elected members (MPs, district and parish councillors), local political parties and electors, as well as persons or organisations that have particular expertise in relation to access to premises for people with different forms of disability.

In summary: No changes are proposed to any polling arrangements within the parliamentary constituency of North Somerset.
Some changes are proposed to polling arrangements within the parliamentary constituency of Weston-super-Mare. These are limited to the Weston-super-Mare Winterstoke Ward and the Wick St Lawrence & St. Georges Ward.
