

# PARK RULES FOR HUTTON PARK

## Preface

In these rules:

- “occupier” means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement
- “you” and “your” refers to the homeowner or other occupier of a park home
- “we” and “our” refers to the park owner.

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

With one exception the rules also apply to any occupiers of park homes who rent their home.

The only rule which does not apply to occupiers who rent their home is rule 31 about the colour of the exterior of the home, as someone renting their home would not be responsible for exterior maintenance.

None of these rules is to have retrospective effect. Accordingly:

- they are to apply only from the date on which they take effect, which is **20<sup>th</sup> December 2014**; and
- no occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.

These rules also apply (for so long as they live on the park) to the park owner and any employees, with the exception of the following rules [4, 17, 18, 21, 22, 23, 24, 25, 29, 34].

4. You must not keep inflammable substances on the park except in quantities reasonable for domestic use.

6. You must not have more than one storage shed on the pitch. Where you source the shed yourself the design, standard and size of the shed must be approved by us in writing (approval will not be withheld or delayed unreasonably). You must position the shed so as to comply with the park's site licence and fire safety requirements. The footprint of the shed shall not exceed 4.32 m<sup>2</sup>. (ie 2.4m x 1.8m)

7. You must not have any storage receptacle on the pitch other than the shed mentioned in rule 6 and any receptacle for the storage of domestic waste pending collection by the local authority. Where you source the waste receptacle yourself the design, standard and size of the receptacle must be approved by us in writing (approval will not be withheld or delayed unreasonably). The separation space is the space between your park home and any neighboring home.

### **Note**

The express terms of a homeowner's agreement contain an undertaking on the part of the homeowner not to allow anything which is or becomes a nuisance, inconvenience or disturbance to other occupiers at the park and this undertaking extends to the behaviour of pets and animals. A similar requirement not to cause a nuisance applies to tenants and again this includes the behaviour of pets and animals.

### **Note**

These rules do not have retrospective effect. If the keeping of the pet complied with the previous rules, an occupier will not be treated as being in breach when these rules take effect. However, when the pet dies or leaves it can only be replaced if this would comply with these rules.

A new homeowner may come onto the park with not more than Three dogs or cats (other than a dog of any of the breeds subject to the Dangerous Dogs Act 1991) which they already own and may keep for as long as they wish but they shall not be permitted to replace the pet or acquire another pet.
