

National offer day (16 April 2019)

St Anne's Church Academy has an admission number of 60.

90 preferences have been received for the school. It has, therefore been necessary to use the oversubscription criteria, as outlined below, to determine which of the applicants should be offered the places available.

The 60 available places have been offered to the following applicants:

Where a school is named in a child's Statement of Special Educational Needs or Education Health and Care Plan, the admission authority is legally required to admit the child to the school. Therefore, such children are allocated places before the admissions criteria, detailed below, are applied.

	Number of offers
The school is named in a Statement of Special Educational Needs or Education Health and Care Plan.	2

ix	Children living outside the geographical area.	7

The distance between home and school for the last child offered a place was 2.257 miles.

To admit another child to the school would cause prejudice to the provision of efficient education or the efficient use of resources by reason of 'relevant measures', i.e. measures that would be required to be taken in order to ensure that the legal limit on class sizes of one teacher per 30 children is met at the school. Any appeals for places at the school are therefore 'infant class size prejudice cases'.

Site allocation

Admission to St Anne's Church Academy is to the school only and not to any particular site. As part of this, a separate site allocation process needs to be completed. Parents are asked to complete a Supplementary Information Form (SIF) to state which of the St Anne's sites they wish their child to attend.
