St Anne's C of E Primary School has an Admission Number of 60. 113 applications have been received for the school. It has, therefore been necessary to use the oversubscription criteria, as outlined below, to determine which of the applicants should be offered the places available.

The 60 available places have been offered to the following applicants:

Where a school is named in a child's Statement of Special Educational Needs Education or Health and Care Plan, the admission authority is legally required to admit the child to the school. Therefore such children are allocated places before the criteria, detailed below, are applied.

The school is named in a Statement of Special Educational Needs or Education Health and Care Plan.	1 child
--	---------

i	Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care.	0 children
ii	Children of St Anne's C of E Voluntary Aided Primary School staff employed on a permanent contract by the school for at least two years at the time of application, or where the member of St Anne's C of E Voluntary Aided Primary School staff has been recruited to fill a post for which there is a demonstrable skill shortage. This does not include staff who work on the school site for other employers.	0 children
iii	Children with a brother or sister who was attending the school prior to 1st September 2017 attending the school at time of admission.	25 children
iv	Children living within the first geographical area and have a brother or sister attending the school at time of admission.	1 child
v	Children living within the first geographical area who attend church or a service at a place of Christian worship with a family member, or children of a parent(s) who attend a church or a service at a place of Christian worship. Defined as attending a church or a service each month for a consecutive period of six months prior to application and evidenced by a signed Supplementary Information Form.	1 child
vi	Children living within the first geographical area	30 children
vii	Children living outside the first geographical area and have a brother or sister attending the school at time of admission	0 children
viii	Children living outside the first geographical area who attend church or a service at a place of Christian worship with a family member, or children of	1 child

	a parent(s) who attend a church or a service at a place of Christian worship. Defined as attending a church or a service each month for a consecutive period of six months prior to application and evidenced by a signed Supplementary Information Form	
ix	Children living outside the geographical area.	1 child

The distance between home and school for the last child offered a place was 0.409 miles.

To admit another child to the school would cause prejudice to the provision of efficient education or the efficient use of resources by reason of 'relevant measures', i.e. measures that would be required to be taken in order to ensure that the legal limit on class sizes of one teacher per 30 children is met at the school. Any appeals for places at the school are therefore 'infant class size prejudice cases'.

Site allocation

Admission to St Anne's VA Primary School is to the school only and not to any particular site. A separate site allocation process has been completed to decide which site is allocated to each child as per the school's admission arrangements for 2018-19.

Parents were asked to complete a Supplementary Information Form to state which of the St Anne's sites they wish their child to attend.

West Wick site

43 site allocation Supplementary Application Forms (SIF's) were received naming West Wick site. There are only 30 school places available at West Wick site. As there were more SIF's received than places available at the site, the site allocation criteria were used as follows:

1		If parent has completed a SIF:	
	a	Child has a brother or sister attending the site	17 children
	b	Direct line distance measured from the child's home to the nearest school site	13 children
2		If parent has not completed a SIF:	
	a	Direct line distance measured from the child's home to the nearest school site	0 children

Hewish site

2 site allocation Supplementary Application Forms (SIF's) were received naming the Hewish site. In addition to this, there were 13 applicants that completed a SIF for the West Wick site and were not successful. There were also 15 applicants that did not complete a SIF:

1		If parent has completed a SIF:	
	a	Child has a brother or sister attending the	2 children
	b	Direct line distance measured from the child's home to the nearest school site	13 children
2		If parent has not completed a SIF:	
	a	Direct line distance measured from the child's home to the nearest school site	15 children

Right of appeal

Any applicant refused a place at a school they have applied for has the right of appeal. In the case of St Anne's C of E Primary school, there is no right of appeal if a place has been allocated at the school, but not at the preferred site. There is no right of appeal for a specific site of a school.
