Starting School ~ 2017-18

Allocation Sheet for St Anne's C of E Primary School – West Wick

109 on time applications have been received for the school. The school has an Admission Number of 30. Information about the school's admission arrangements is included in the book 'Starting School ~ a guide for parents'. It has not been possible to meet all the requests for places at and it has been necessary to use the oversubscription criteria, as described in the parent's guide and outlined below, to determine which of the applicants should be offered the places available.

Where a school is named in a child's Statement of Special Educational Needs or Education, Health and Care (EHC) plan the admission authority is legally required to admit the child to the school. Therefore such children are allocated places before the criteria are applied.

The 30 available places have been offered as follows:

The school is named in a Statement of Special Educational Needs or EHC plan ~ 0 children;

- i. Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care ~ 0 children;
- ii. Children with brother or sister who was attending the school prior to September 2017 and either he/she or any younger brother or sister will be attending the school at time of admission who live within the first geographical area for the campus of which the applications is for ~ 9 children;
- iii. Children living within the first geographical area (for the campus of which the application is for) and have a brother or sister attending the campus at time of admission ~ 0 children;
- iv. Children living within the first geographical area (for the campus of which the application is for) ~ 21 children;
- v. Children living outside the first geographical area (for the campus of which the application is for) and have a brother or sister attending the campus at time of admission ~ 0 children;

- vi. Children of St Anne's C of E Voluntary Aided Primary School staff employed on a permanent contract by the school for at least two years at the time of application, or where the member of St Anne's C of E Voluntary Aided Primary School staff has been recruited to fill a post for which there is a demonstrable skill shortage. This does not include staff who work on the school campus for other employers ~ 0 children;
- vii. Children who attend church or a service at a place of Christian worship with a family member, or children of a parent(s) who attend a church or a service at a place of Christian worship. Defined as attending a church or a service each month for a consecutive period of six months prior to application and evidenced by a signed Supplementary Information Form ~ 0 children;
- viii. Children living outside the first geographical area (for the campus of which the application is for) ~ 0 children.

The distance, measured in a direct line, between home and school for the last child offered a place was 0.297 miles.

To admit another child to the school would cause prejudice to the provision of efficient education or the efficient use of resources by reason of 'relevant measures', ie measures that would be required to be taken in order to ensure that the legal limit on class sizes of one teacher per 30 children is met at the school. Any appeals for places at the school are therefore 'infant class size prejudice cases'.
