Starting School ~ 2017-18

Allocation Sheet for
Trinity Anglican Methodist Primary School

132 on time applications have been received for the school. The school has an Admission Number of 60. Information about the school's admission arrangements is included in the book 'Starting School ~ a guide for parents'. It has not been possible to meet all the requests for places at and it has been necessary to use the oversubscription criteria, as described in the parent's guide and outlined below, to determine which of the applicants should be offered the places available.

Where a school is named in a child's Statement of Special Educational Needs or Education, Health and Care (EHC) plan the admission authority is legally required to admit the child to the school. Therefore such children are allocated places before the criteria are applied.

The 60 available places have been offered as follows:

The school is named in a Statement of Special Educational Needs or EHC plan ~ 0 children;

- i. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who, at the time of application, is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (section 22 (1) of the Children Act 1989 applies) ~ 0 children;
- ii. Children who, at the time of application, live within the Portishead 'Village Quarter', or with a confirmed move to an address within the Village Quarter, with a sibling attending Trinity Church School who will still be on roll at the time of admission and who lives at the same home address ~ 31 children;
- iii. Children who, at the time of application, live within the Portishead 'Village Quarter', or with a confirmed move to an address within the Village Quarter ~ 29 children;

- iv. Children living outside the Village Quarter with a sibling attending the school at the time of application who will still be on roll at the time of admission and who lives at the same home address ~ 0 children;
- v. Children not satisfying a higher criterion ~ 0 children.

The distance, measured in a direct line, between home and school for the last child offered a place was 0.445 miles.

To admit another child to the school would cause prejudice to the provision of efficient education or the efficient use of resources by reason of 'relevant measures', ie measures that would be required to be taken in order to ensure that the legal limit on class sizes of one teacher per 30 children is met at the school. Any appeals for places at the school are therefore 'infant class size prejudice cases'.
