

North Somerset Pharmaceutical Needs Assessment

Supplementary Statements

Purpose:

Supplementary statements will be released as and when we are notified to changes in pharmacy provision to keep the PNA up to date.

Statement for quarter 1: April – June 2018

We have been notified of two changes.

- 1) Relocation of Locking Pharmacy from 60 Grenville Avenue to 64 Grenville Avenue, BS24 8AR.
- 2) Closure of Lloyds Pharmacy Ltd t/a Lloyds pharmacy 193 High Street, Worle, BS22 6JS.

We do not consider the impact of these changes represent a new gap in provision and the conclusions of the PNA (2018-2021) remain valid.
