Explanatory Statement

Highways Act 1980

North Somerset District Council

Part of Footpath LA 19/59, Between Nos. 8/10 Stanshalls Lane and Currells Lane, Felton, Winford

Public Path Diversion Order No. 8 2020

This statement is for information only and does not form part of the Order.

Under the provisions of S.119 of the Highways Act 1980 County and District Councils have the power to make orders to divert public rights of way. A notice that such an order has been made has to be advertised on the site of the path in question and in the local press. This provides an opportunity for objections or representations to be made to the proposed change.

North Somerset District Council (“the Council”) has made this Order because it appears to the council that in the interests of the owners of the land crossed by the footpath and of the public it is expedient that the line of the path should be diverted.

Background to making this Order

North Somerset Council keeps a Definite Map, showing the legal lines of Public Rights of Way within the District. Reference to this map has shown that the legal line of part of Public Footpath ‘**LA 19/59**’ runs through what is now the curtilages of nos. 8 and 10 Stanshalls Lane, as opposed to running along the actual pathway between the two properties. It appears that the Public Footpath was not formally diverted at the time the properties were constructed.

An application was therefore submitted to the council, seeking to correct this matter, by formally ‘diverting’ this part of the Public Footpath, onto the line which the public are already using; which is already signposted from Stanshalls Lane. The legal line of the path will also be re-aligned within the continuing fields to the north.

Public Footpath users should not notice any change from the route which is currently available and being used; the submitted application is merely to rectify the fact that the legal line is not available and that there is an alternative. Furthermore, in seeking to improve this route, a pedestrian gate will replace the existing stile at ‘point E’.

The application complies with the provisions of Section 119 (1) of the Highways Act 1980 on the basis that, in the interests of the owners of the land crossed by the path or way and of the public it is expedient that the line of the path or way or parts of that line should be diverted. It further complies with Section 119 (6) in that the path or way will not be substantially less convenient to the public in consequence of the diversion.

The order will come into effect only after it has been confirmed. Making and advertising the Order provides an opportunity for objections or representations to be made.

Any representations about or objections to the order must be made in writing by **6th August 2020** to the Natural Environment Team, Streets and Open Spaces, Town Hall, Walliscote Grove Road, Weston-super-Mare, BS23 1UJ quoting reference **PAP/PPO 193** and stating the grounds on which they are made.

If any objections are made and not withdrawn the matter will be referred to the Council’s Public Rights of Way Sub-Committee who will decide whether or not to submit the Order to the Planning Inspectorate (as agent for the Secretary of State for the Environment, Food and Rural Affairs) for determination. As the Council cannot recharge the costs of an Inquiry or Hearing the Public Rights

of Way Sub-Committee may decide to withdraw the Order at this stage. Once submitted, the Planning Inspectorate will then appoint an Inspector who will determine whether to deal with the matter by written representations, a hearing or a public inquiry. The inspector can confirm an Order, confirm it with modifications, or refuse to confirm it. In some cases the Inspectorate may award costs. If no objections are received the Council will be able to confirm the Order itself but has no powers to modify Orders.

The right of objection to an Order is a statutory right but it should be exercised in a reasonable manner. If you objected at the pre-order stage and still wish to object now that the Order has been made you will need to re-submit your objection by the deadline specified above. Only objections received during this statutory period will be forwarded to the Secretary of State.
