## Allocation Sheet for Bournville Primary School

### National Offer Day (16 April 2020)

Bournville Primary School has a Published Admission Number of 60.

86 preferences have been received for the school. It has, therefore been necessary to use the oversubscription criteria, as outlined below, to determine which of the applicants should be offered the places available.

The 60 available places have been offered to the following applicants:

Where a school is named in a child's Statement of Special Educational Needs or Education Health and Care Plan, the admission authority is legally required to admit the child to the school. Therefore such children are allocated places before the admissions criteria, detailed below, are applied.

EHCP	Number of offers
The school is named in a Statement of Special Educational Needs or Education Health and Care Plan.	0

	Admissions criteria	Number of offers
1	Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care.	1
2	Children whose brother or sister will be attending the school at the time of admission.	23
3	Children who are eligible for the early years pupil premium or service premium who attend the preschool at Bournville Primary School at the time of application.	15
4	Children of Bournville School staff employed on a permanent contract by the school for at least two years at the time of application, or where the member of Bournville School staff has been recruited to fill a post for which there is a demonstrable skill shortage. This does not include staff who work on the school site for other employers.	0
5	Children living closest to the school.	21

The distance between home and school for the last child offered a place was 0.621 miles.

To admit another child to the school would cause prejudice to the provision of efficient education or the efficient use of resources by reason of 'relevant measures', i.e. measures that would be required to be taken in order to ensure that the legal limit on class sizes of one teacher per 30 children is met at the school. Any appeals for places at the school are therefore 'infant class size prejudice cases'.
