

Starting school - September 2020 Allocation Sheet for St Georges Church School

National Offer Day (16 April 2020)

St Georges Church School has a Published Admission Number of 30.

74 preferences have been received for the school. It has, therefore been necessary to use the oversubscription criteria, as outlined below, to determine which of the applicants should be offered the places available.

The 30 available places have been offered to the following applicants:

Where a school is named in a child's Statement of Special Educational Needs or Education Health and Care Plan, the admission authority is legally required to admit the child to the school. Therefore such children are allocated places before the admissions criteria, detailed below, are applied.

EHCP	Number of offers
The school is named in a Statement of Special Educational Needs or Education Health and Care Plan.	0

	Admissions criteria	Number of offers
1	A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who, at the time of application, is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (section 22 (1) of the Children Act 1989 applies).	1
2	Children who have a sibling attending St Georges Church School at the time of application, who will still be on roll at the time of admission and who lives at the same home address.	13
3	Children who live within the Civil Parish of St Georges or with a confirmed move to a home address within this parish, available at the time of application.	16
4	Children not satisfying a higher criterion.	0

The distance between home and school for the last child offered a place was 0.338 miles.

To admit another child to the school would cause prejudice to the provision of efficient education or the efficient use of resources by reason of 'relevant measures', i.e. measures that would be required to be taken in order to ensure that the legal limit on class sizes of one teacher per 30 children is met at the school. Any appeals for places at the school are therefore 'infant class size prejudice cases'.
