

Starting School - September 2021

Allocation Sheet for Birdwell School

National Offer Day (16 April 2021)

Birdwell School has a Published Admission Number of 60.

112 preferences have been received for the school. It has, therefore been necessary to use the oversubscription criteria, as outlined below, to determine which of the applicants should be offered the places available.

The 60 available places have been offered to the following applicants:

Where a school is named in a child's Statement of Special Educational Needs or Education Health and Care Plan, the admission authority is legally required to admit the child to the school. Therefore, such children are allocated places before the admissions criteria, detailed below, are applied.

The school is named in a Statement of Special Educational Needs or Education Health and Care Plan.	0

	Admissions criteria	Number of offers
1	Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care.	1
2	Children with a brother or sister who was attending the school prior to September 2017 and either he/she or any younger brother or sister will be attending the school at the time of admission.	0
3	Children with a brother or sister who started attending the school after or during September 2017 and he/she will be attending the school at the time of admission, living within the parish of Long Ashton.	20
4	Children living within the parish of Long Ashton.	39
5	Children living outside the parish of Long Ashton living closest to the school.	0

The distance between home and school for the last child offered a place was 0.496 miles.

To admit another child to the school would cause prejudice to the provision of efficient education or the efficient use of resources by reason of 'relevant measures', i.e. measures that would be required to be taken in order to ensure that the legal limit on class sizes of one teacher per 30 children is met at the school. Any appeals for places at the school are therefore 'infant class size prejudice cases'.
