

Statement of Reasons

(VARIOUS ROADS, WRINGTON AREA, NORTH SOMERSET) **(20 MPH SPEED LIMIT) ORDER 2022**

This proposal extends the 20mph speed limit order previously made in September 2020 to include extra lengths of road at the periphery of the village, following amendments to the proposed scheme.

The proposed speed limits are intended to reinforce people's assessment of what is a safe speed to travel. They are designed to develop safer environments within the road system, to encourage greater pedestrian movement and more cycling, and to reduce the danger to persons or traffic using the road.

The changes comply with DfT guidance for 20 mph speed limits.
