

STATEMENT OF REASONS

NORTH SOMERSET COUNCIL **(VARIOUS ROADS, CLEVEDON, NORTH SOMERSET)** **(ONE-WAY TRAFFIC) ORDER 2022**

North Somerset Council proposes to introduce one-way traffic restrictions on lengths of several roads in The Beach and Hill Road area of Clevedon. The changes are intended to support a wider suite of changes, including public realm improvements and improved cycling and walking infrastructure.

Collectively, the changes will avoid danger to road users, facilitate access to the area by pedestrians and cyclists, and improve the amenities of the area.
