NORTH SOMERSET COUNCIL

STATEMENT OF REASONS

NORTH SOMERSET COUNCIL **ROAD TRAFFIC REGULATION ACT 1984 - SECTION 23** **PEDESTRIAN CROSSING AT OLD STREET, CLEVEDON**

NORTH SOMERSET COUNCIL **CONSTRUCTION OF RAISED TABLE** **ON OLD STREET, CLEVEDON**

North Somerset Council intends to install a zebra crossing at the site of a discontinued school crossing patrol point on Old Street, Clevedon, and install a raised table to act as traffic calming feature on the westbound approach.

The zebra crossing and raised table are designed to improve the pedestrian environment at this location and encourage this mode of transport for nearby schools by reducing causes of delay or concern along the route.

The existing crossing adjacent to No.99 Old Street will be removed as part of the proposed changes. Monitoring has shown that the existing crossing is used infrequently by pedestrians crossing this section of Old Street. It is considered preferable to relocate the crossing to a location where it meets the demands of more users. The existing raised table at the existing crossing will be retained to act as a traffic calming feature on the approach to the new crossing point.

The changes to the pedestrian crossing and installation of the additional raised table are intended to avoid danger to persons or other traffic using the road, to facilitate the passage on the road of pedestrians and to improve the amenities of the area through which the road runs.
