Date coming Into Force: 20 April 2022  
Ref: T22-89

Notice is hereby given that North Somerset Council in pursuance of the provisions of section 14 of the Road Traffic Regulation Act 1984, as amended, have made an order the effect of which will be to close, temporarily, to vehicles the lengths of roads specified in the Schedule to this Notice. Exemptions are included for emergency services, works access, works construction vehicles and as works permit for premises which may only be accessed via the closed section of road.

This order was required because of the likelihood of danger to the public consequent upon work by Nicholas Reeves t/a ANCR Driveways to install services to newbuild property. This will become operative on the 20 April 2022 for a maximum period of eighteen months. However, the closures may not be implemented for the whole of the period but only as necessitated by the works which is anticipated to be of 10 days in duration. Appropriate traffic signs will be displayed when the measures are in force.

Schedule - Lyefield Road between the junction of Newtons Road and the junction of Lower Norton Lane. Alternative routes - see One.Network
