

Starting School - September 2022

Allocation Sheet for Herons' Moor Academy

National Offer Day (19 April 2022)

Herons' Moor Academy has a Published Admission Number of 60.

93 preferences have been received for the school. 4 places remained available after all preferences were considered

Update 30 May

1 additional place became available due to parents not accepting the offer of a place. 12 applicants were considered for the 5 vacancies.

The places were filled in accordance with the oversubscription criteria as follows:

Where a school is named in a child's Statement of Special Educational Needs or Education Health and Care Plan, the admission authority is legally required to admit the child to the school. Therefore, such children are allocated places before the admissions criteria, detailed below, are applied.

EHCP	Number of offers
The school is named in a Statement of Special Educational Needs or Education Health and Care Plan.	0

	Admissions criteria	Number of offers
1	Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a Child Arrangements Order or Special Guardianship Order) immediately following having been in Care.	0
2	Children whose brother or sister will be attending the school at the time of application.	5
3	Children of Herons' Moor Academy staff employed on a permanent contract by the school for at least two years at the time of application, or where the member of Herons' Moor Academy staff has been recruited to fill a post for which there is a demonstrable skill shortage. This does not include staff who work on the school site for other employers.	0
4	Children living closest to the school.	0

The distance between home and school for the last child offered a place was 16.439 miles.

To admit another child to the school would cause prejudice to the provision of efficient education or the efficient use of resources by reason of 'relevant measures', i.e. measures that would be required to be taken in order to ensure that the legal limit on class sizes of one teacher per 30 children is met at the school. Any appeals for places at the school are therefore 'infant class size prejudice cases'.
