

Starting School - September 2022

Allocation Sheet for Trinity Anglican Methodist Primary School

National Offer Day (19 April 2022)

Trinity Anglican Methodist Primary School has a Published Admission Number of 60.

113 preferences have been received for the school. It has, therefore been necessary to use the oversubscription criteria, as outlined below, to determine which of the applicants should be offered the places available.

The 60 available places have been offered to the following applicants:

Where a school is named in a child's Statement of Special Educational Needs or Education Health and Care Plan, the admission authority is legally required to admit the child to the school. Therefore, such children are allocated places before the admissions criteria, detailed below, are applied.

EHCP	Number of offers
The school is named in a Statement of Special Educational Needs or Education Health and Care Plan.	1

	Admissions criteria	Number of offers
1	Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a Child Arrangements Order or Special Guardianship Order) immediately following having been in Care.	0
2	Children who, at the time of application, live within the catchment area (Portishead 'Village Quarter'), with a sibling attending Trinity Anglican Methodist Primary School.	20
3	Children who, at the time of application, live within the catchment area (Portishead 'Village Quarter').	27
4	Children who, at the time of application, live outside the catchment area (Portishead 'Village Quarter') with a sibling attending Trinity Anglican Methodist School.	1
5	Children living closest to the school, as measured in a direct line.	11

The distance between home and school for the last child offered a place was 3.859 miles.

To admit another child to the school would cause prejudice to the provision of efficient education or the efficient use of resources by reason of 'relevant measures', i.e. measures that would be required to be taken in order to ensure that the legal limit on class sizes of one teacher per 30 children is met at the school. Any appeals for places at the school are therefore 'infant class size prejudice cases'.

Update 30 May

0 places became available due to parents not accepting the offer of a place.
