National Offer Day (1 March 2022)

Winterstoke Hundred Academy has a Published Admission Number of 150.

3 places remain available after all preferences were considered.

Update on 25 April

7 additional places became available due to parents not accepting the offer of a place.

19 applicants were considered for the 10 vacancies.

The places were filled in accordance with the oversubscription criteria as follows:

Where a school is named in a child's Statement of Special Educational Needs or Education Health and Care Plan, the admission authority is legally required to admit the child to the school. Therefore, such children are allocated places before the admissions criteria, detailed below, are applied.

The school is named in a Statement of Special Educational Needs or Education Health and Care Plan.	0

	Admissions criteria	Number of offers

2	Children whose brother or sister will be attending the school at the time of application (including years 12 and 13).	1
3	Children living closest to the school.	9

The distance between home and school for the last child offered a place was 1.463 miles.

Any applicants not offered a place at the school have been refused because, under the terms of the School Standards Framework Act 1998 (as amended by the Education Act 2011), a place may be refused if the admission of an additional child would cause prejudice to the provision of efficient education or the efficient use of resources.

Update on 16 May

0 additional places became available due to parents not accepting the offer of a place. However a place was offered, over the schools Published Admission Number, to a looked after child.
