NORTH SOMERSET DISTRICT COUNCIL
(ADDITION OF FOOTPATH AX 31/105 HAWTHORN GARDENS, WESTON-SUPER-

DEFINITIVE MAP AND STATEMENT MODIFICATION ORDER NO 2 2022

EXPLANATORY STATEMENT

THIS STATEMENT DOES NOT FORM PART OF THE ORDER

Public footpaths, bridleways and byways open to all traffic are recorded on Definitive Maps and Statements. These maps and statements provide conclusive legal evidence of the existence of public rights. North Somerset District Council is responsible for the Definitive Map and Statement and has a duty to amend them when evidence suggests that they are inaccurate or incomplete. Such amendments are made by means of modification orders made under Section 53 of the Wildlife and Countryside Act 1981. These orders do not come into effect until confirmed; if there are any objections the Council must refer the order and objections to the Secretary of State for the Environment, Food and Rural Affairs, who will decide whether or not to confirm the order.

Definition of a Footpath

A highway over which the public have a right of way on foot only.

The claimed route has been the subject of an investigation following the submission of an application dated 20th April 2000. That application requested that a route, in the ward of Weston-Super-Mare, which ran between Hawthorn Gardens and Footpath AX31/33 should be recorded as a Footpath. The original application was submitted supported by 12 user evidence forms and supporting letters, however, following pre-order consultation further user evidence forms have been received. Such application for a Definitive Map Modification Order is submitted under Section 53(5) of the Wildlife and Countryside Act 1981. The effect of this request, should an Order be made and confirmed, would be to amend the Definitive Map and Statement for the area.

The route A-B commences at its junction with the adopted highway known as Hawthorn Gardens and proceeds in a west, north-westerly direction for distance of approximately 149 metres terminating at an existing Footpath AX 31/11, Point B. This route will be known as Footpath AX 31/105.

North Somerset Council's Rights of Way Sub Committee considered this application on the 29th March 2022 and formally resolved "(i) that the Public Rights of Way Sub Committee authorised the making of a Definitive Map Modification Order adding the route A-B as shown on the attached Location Plan as a Footpath to the Definitive Map on the grounds that there is sufficient evidence to show that a public Footpath has been established under Section 53(3)(b) and (c) of the Wildlife and Countryside Act 1981.

(ii) that consideration of Recommendations (ii) and (iii) in the Report be deferred until the outcome of the making of the Definitive Map Modification Order was known.

The report that was considered by the Committee is available on the Council's website.

To be relevant, objections or representations should relate to the question as to whether this is a historically used route; other objections or representations (e.g. relating to privacy, security, suitability, desirability or amenity) may be held to be irrelevant.

The right of objection to an order is a statutory right, but it should be exercised in a reasonable manner. **It should be noted that all comments received will form part of the case for this Order and if necessary will be forwarded to the Planning Inspectorate and interested parties.**

If there are no objections to the order, or if any made are duly withdrawn, the authority may confirm the order, and the Definitive Map and Statement will then be modified. If there are any objections which are not withdrawn, then North Somerset District Council must refer the order and objections to the Planning Inspectorate acting for the Secretary of State for the Environment, Food and Rural Affairs. The Department will appoint an independent Inspector to consider the order and hear the objections, normally by holding a local Public Inquiry. The Inspector may confirm the order, with or without modifications, or may decide that the order should not be confirmed.
