## **Introduction**

The North Somerset SEND Partnership is a partnership between all organisations who provide services for children and young people who have Special Educational Needs (SEND) as well as the parents and carers and wherever possible, the children and young people themselves. The Lead partners driving the transformation through their own organisations and others are North Somerset Council and the Chief Executive Officers and they share accountability on behalf of the Partnership for the progress made in SEND when reporting to the Department for Education and NHS England. The Partnership is very much strengthened by the invaluable voices of parents and carers who help us to understand what impact we are having, sharing emerging priorities and being a critical friend in all that we do. The North Somerset Parent Carers Working Together forum and SENDIAS actively participate in all key SEND discussions and provide both challenge and support throughout.

We made a commitment to fundamentally change the experiences and outcomes of children and young people and we have achieved a great deal, **but** we have not made enough progress in enough areas. More importantly, and because some of the changes we needed to make involved major changes to whole systems, or required us to secure additional funding, the changes have not yet been felt by enough children and young people in their everyday lives. Now, through the work set out in this Improvement Plan, we intend to put that right.

## **The SEND Improvement Plan**

The SEND Improvement Plan captures all the commitments we've made across the local area to improve things for children and young people with SEND. It includes actions from a range of partners and also makes clear what progress we intend to make over time, what impact we intend for this to have on outcomes and how we will know when the change has happened.

A very large number of stakeholders have been involved in putting plans together for SEND in recent years and some important foundations have been laid. We want to acknowledge their contributions and help orientate people who are new to this plan by setting out some of the progress we have made.

## **North Somerset's Vision is:**

*In North Somerset we will work together as a local area to support all children and young people with additional needs to fulfil their full potential.*

We have very high ambitions for our children and young people with SEND and are confident that with the increased capacity, focus and commitment within the local area, we will make significant progress over the next 18 months. We want to see all children with SEND enjoying the same opportunities as their peers, supported by confident practitioners working in seamless partnership with their parents and carers.

We want to secure the same high-quality outcomes for these children as all other children in North Somerset and we are determined to systematically remove the barriers that currently prevent this from happening.

## **Laying the foundations for a step change for children with SEND in North Somerset**

North Somerset has made important progress towards achieving change for children with SEND:

### **AREA 1**

To improve Governance and System Leadership we have:

- Created a SEND Improvement Board. This is chaired by the Executive Member for Children's Services and Lifelong Learning. Chief Executive Officers from North Somerset Council, Bristol, North Somerset, South Gloucestershire Clinical Commissioning Group (BNSSG CCG) and Sirona (community health provider) are members with North Somerset Parent Carers Working Together and school leaders acting as professional advisers to the Board. The Director of Children's Services from North Somerset Council and the Clinical Commissioning Group's Director of Commissioning are answerable to the Board for the progress of the Plan. Each workstream is now being led from within the SEND system in the local area and area leads report to the SEND Improvement Board using the same highlight report
- Appointed an interim Assistant Director of Education Partnerships within the council whilst we recruit to a permanent position. We have also appointed a dedicated Clinical Commissioning Group Strategic SEND Manager. These two senior systems leaders work with area leads to take forward the SEND Improvement Plan, including facilitation of the strategic work within their respective organisations and joint working initiatives. A Community of Practice in SEND of multi-agency system leaders also now meets every fortnight to exchange good practice ideas and to identify solutions together

### **AREA 2**

To improve capacity within the system we have:

- Made a significant investment in Autistic Spectrum Disorder (ASD) services across BNSSG CCG improving wait times and providing early support services
- Developed a team of Specialist Health Advisers for SEND who provide an appropriate health response to needs assessment requests for those children who are either not known to community health services or have been referred and awaiting first appointment
- Undertaken a flagship co-production project of a 9 strong Keyworker Team supporting young people with a diagnosis of learning disabilities and/or Autism preventing crisis and inpatient admission
- Increased Designated Clinical Officer capacity across BNSSG CCG.

- Appointed a lead SEND consultant paediatrician
- Refreshed the Graduated Response through the Community of Practice working groups to make it more accessible and user friendly with a view to publishing and relaunching it in March 2022
- Increased capacity in Early Years provision with 22 Childminders now trained to support children with SEND, an increase in Top Up Funding in Early Years and an increase in requests for statutory assessments for very young children. Our multi-agency group for the most vulnerable children, Multi-Agency Identification and Support in the Early Years (MAISEY), goes from strength to strength in identifying the needs of our youngest children at the earliest opportunity
- Committed to working with partners to create an Early Years Strategy

### **AREA 3**

To improve outcomes for children with SEND in schools we have:

- Increased the number of specialist SEND school places through specialist Social Emotional and Mental Health provision opening in 2022
- Worked with our existing providers to develop three 15 place Hubs for September 2022, one for children in KS1 with trauma and two for KS4 young people with anxiety-based school refusal
- Committed to commissioning for Nurture Groups in schools for September 2022
- Worked with Whole School SEND to create a mechanism for all schools to understand the gaps in progress and attainment for children and young people with SEND and to develop strategies to close these
- Commissioned Governor Training for all North Somerset Governors
- Commissioned Quality First Teaching Training for all North Somerset Schools
- Brokered strategic discussions between schools, parents and practitioners to understand what the barriers are to admitting and supporting children with SEND
- Allocated over 10% more places in mainstream schools to children with SEND

### **AREA 4**

To improve the quality of EHCP's we have:

- Commissioned and implemented a SEND EHCP Portal which can be accessed by all professionals, parents and children and young people themselves. The Portal holds a single record of key information about children and young people and issues reminders to contributors to the Plan for key deadlines and dates

- Improved the timeliness of completed Statutory Assessments to 65% whilst managing a 27% rise in requests
- Increased the multi-agency representation in the EHC Panels and contributions to Plans
- Worked with SENDIAS to support parents who are in the early stages of considering a statutory assessment to ensure their needs are met

## **AREA 5**

To increase joint commissioning, we have:

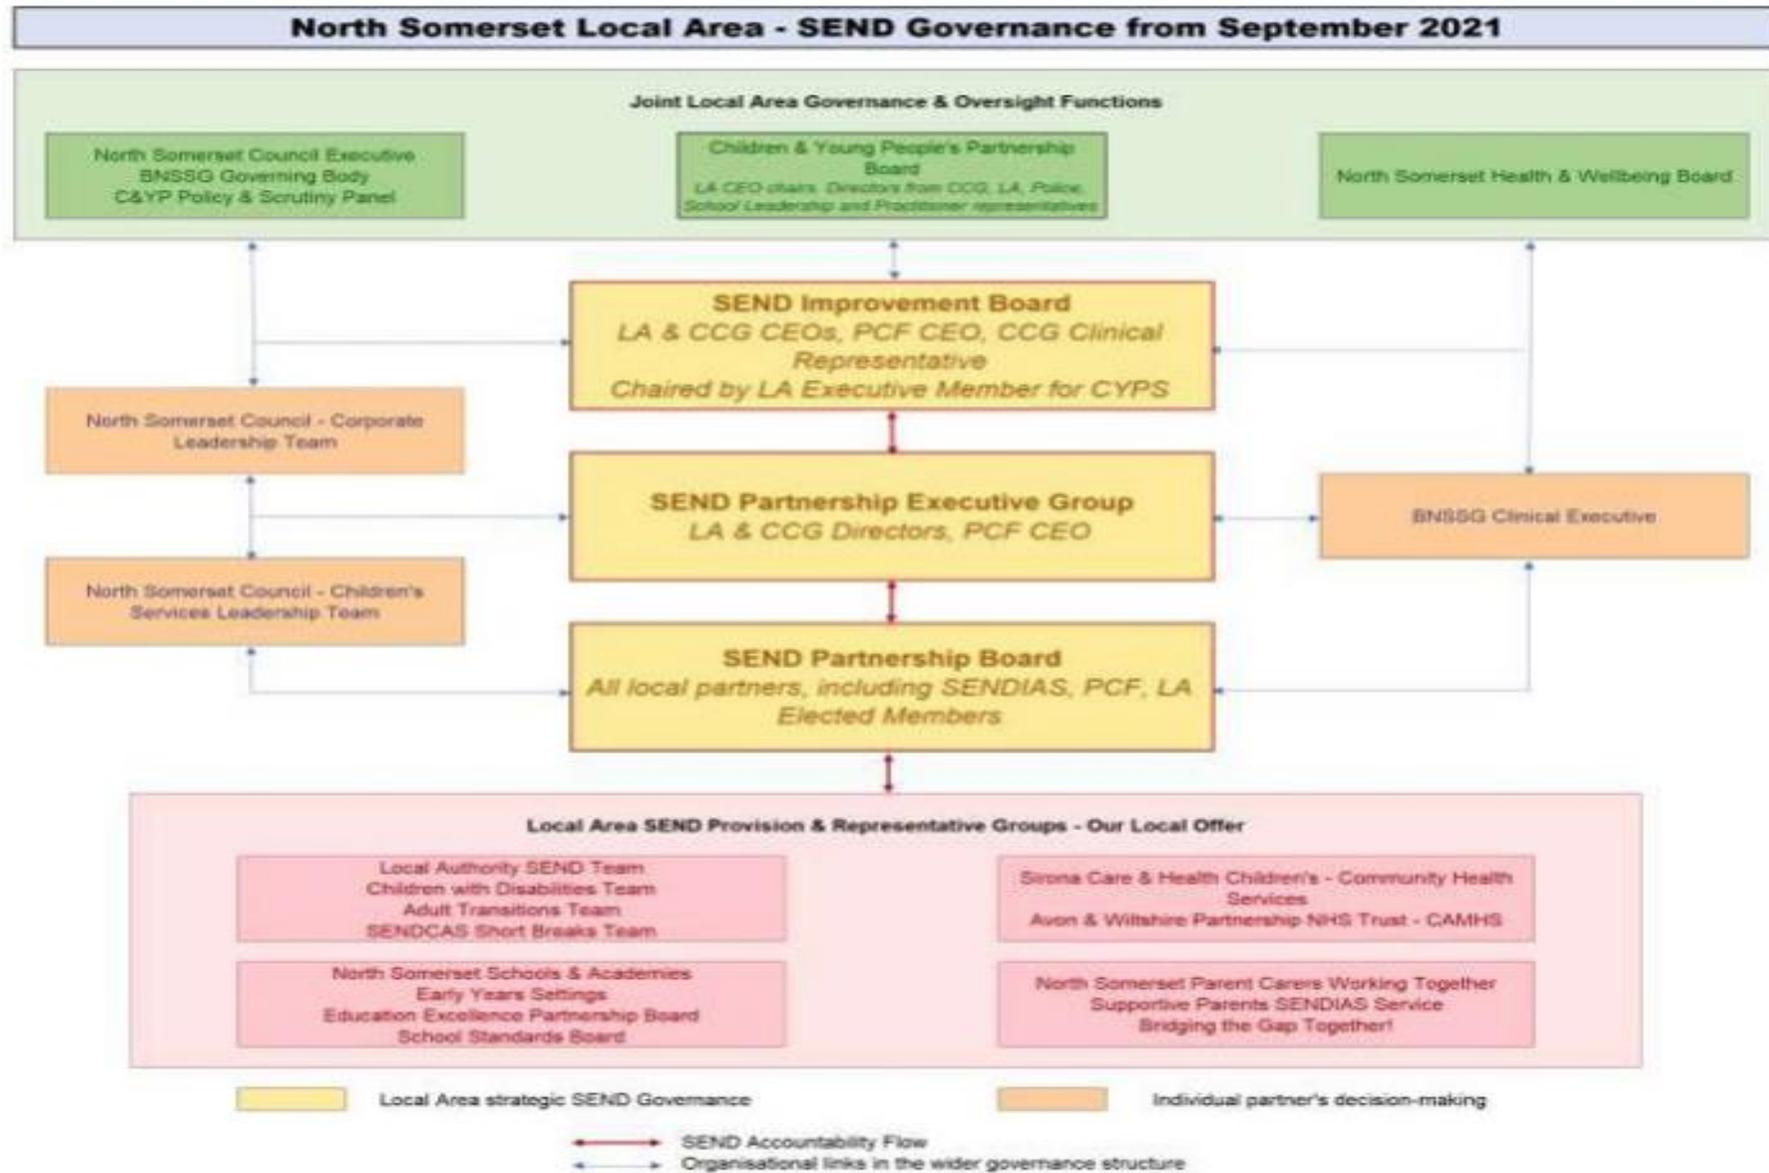

- Co-commissioned the EHCP Portal with full participation of parents and carers, health and local authority partners
- Increased funding to the Parent Carer Forum to ensure a sustainable infrastructure
- Identified an office base for the Parent Carer Forum from within the council's estate
- Co-created the Graduated Response
- Co-produced and parent carer forum delivered Peer + Professional Workshops supporting families on the waiting list for autism assessment
- Created an Autism pathway with full participation of parents and carers, including the use of a video to share the lived experience of a child with autism
- Initiated a Children and Young People's SEND Council which meets for the first time in January 2022

## **AREA 6**

Towards active use of a single data set to inform our work we have:

- Developed an up to date SEND Joint Strategic Needs Assessment (JSNA)
- Developed performance measures for every commitment in this Plan to ensure progress is made at pace
- Developed an integrated SEND data dashboard that the local area is now using to understand SEND need - this is updated monthly to show the impact of our actions on children with SEND

# GOVERNANCE

**Area 1 - A lack of strategic direction and planning by senior leaders across the local area to implement the SEND reforms through an effective SEND strategy**

**Area Leads – Sheila Smith (NSC) / Pip Hesketh (Education, NSC) / Lisa Manson (CCG) / Mark Hemmings (CCG) / Lorraine McMullen (Sirona)**

**End Outcome - There is an adopted SEND Strategy which enables implementation of SEND reforms. These reforms are driven by strong leadership across the local area which is well coordinated and effective**

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
1.1	<p>Refresh, re-launch and ensure all agencies adopt the SEND Strategy to reflect higher aspirations, ambitious targets, stronger partnerships and collaboration, and a committed inclusive culture</p> <p>All agencies will adopt a refreshed SEND Strategy which is driven by the things that really matter and make a difference to children and their families</p>	May 22	Sheila Smith Lisa Manson		<p>KPI: More than 90% of agencies can evidence adoption of the strategy</p> <p>KPI: There is a high level of multi-agency attendance at:</p> <ul style="list-style-type: none"> <li>• SEND Improvement Board</li> <li>• SEND Partnership Board</li> <li>• Community of Practice in SEND</li> </ul> <p>Evidenced by the meeting minutes and attendance logs.</p>	<p>The 2<sup>nd</sup> Young People’s SEND Council on 25 Jan will be discussing their priorities for SEND</p> <p>Next Partnership Board on 17 February 2020 will work on refreshed SEND Strategy (which incorporates SEND Improvement Plan)</p>
1.2	Embed the SEND Strategy within each agency’s Performance Management Framework	Aug 22	Sheila Smith Lisa Manson		<p>KPI: More than 90% of annual team plans (of education children’s, social care and health staff directly involved) include the following as a priority: <i>contribute to delivery of the SEND Strategy and improvement plan</i></p> <p>KPI: More than 80% of annual appraisals (of education children’s, social care and health staff directly involved) include the following as a</p>	<p>SEND Strategy to be tabled at next SEND Partnership Board on 17 February 2022</p> <p><b>All to send Team Plans to Hannah Batts –</b>  <a href="mailto:business.planning@n-somerset.gov.uk">business.planning@n-somerset.gov.uk</a></p>

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
					priority: <i>contribute to delivery of the SEND Strategy and improvement plan</i>	<b>Programme Manager to collate appraisals as evidence (anonymously)</b>
<b>1.3</b>	Recruit to the Permanent Assistant Director Post for Education Partnerships	March 22	Sheila Smith		KPI: A permanent Assistant Director for Education Partnerships is appointed and in post	<b>Complete</b>
<b>1.4</b>	Establish a Children and Young People's SEND Council to enable young people to influence change	Dec 21	Pip Hesketh Lorraine McMullen Becky Hopkins Jess Aston		KPI: A monthly meeting of the Children and Young People's SEND Council is held with senior leaders during 2022 evidenced by the meeting minutes and 'You Said We Did'	<b>Complete</b>
<b>1.5</b>	Development of an integrated SEND data dashboard	Jan 22	Mark Hemmings		KPI: A monthly data and performance dashboard is produced and presented to the SEND Partnership Board during 2022 evidenced by the meeting minutes	The Dashboard is in place. The SEND Data Dashboard will be a standing agenda item for both the SEND Partnership Board and the SEND Improvement Board. The name will change to the SEND Data and Performance Dashboard and will also report on performance

	<b>Action</b>	<b>By When</b>	<b>Responsible Officer</b>	<b>Action RAG</b>	<b>Key Performance Indicators - How we will measure progress</b>	<b>Progress 28 April 2022</b>
<b>1.6</b>	<p>Establish clear, regular and meaningful communication between partner agencies and parents and carers</p> <p>Capacity in a new Customer Service Role. The post holder will develop and produce a communications and engagement plan</p>	Apr 22	Pip Hesketh Mark Hemmings		KPI: A quarterly meeting with parent and carer representatives is held during 2022 evidenced by the meeting minutes	Newsletter is being drafted and will go out fortnightly to all who work in Children's Services across North Somerset

**Area 2 - A lack of capacity within the local area to implement the SEND reforms effectively**

**Area Leads -** Sheila Smith (NSC) / Lisa Manson (CCG) / **Pip Hesketh (Education NSC) / Mark Hemmings (CCG)**

Project Team - Sarah Bishop / Karen Jarvis / Wendy Packer / Emma Whitehead / Anthony Webster / Shaun Cheesman / Guy Clayton / Paul Cox / Matt Lenny / Anna Clark / Heather Kapeluch / Gerry Bates / Kenton Mee

**End Outcome – There is enough capacity within the local area to understand, meet and provide support, implementing the SEND reforms effectively**

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
2.1	Improve the Early Identification of Need by revising, adopting and re launching the Graduated Response	April 22	Pip Hesketh Gerry Bates Sarah Bishop		KPI: 30 schools and settings including post 16 participating in relaunch of Graduated Response and number of schools and settings who confirm active adoption of the policy.  KPI: SENDIAS and Parent Carer Forum survey of Parents to confirm understanding and use of Graduated Response	Work has commenced on all three phases but working groups would like to make versions more accessible to practitioners and parents
2.2	Launch one Resource Hub for KS1 pupils with trauma at Bournville School (based on Nurture Group principles)	Sept 22	Wendy Packer		KPI: One Resource Hub commissioned, and children start placement September 2022	<b>Model now agreed with CLF and ELAN.</b>
2.3	Launch 4 school-based Nurture Hubs	Sept 22	Guy Clayton		KPI: Four Nurture Groups have been commissioned and children start placement September 2022 (two in primary and two in secondary schools)	<b>Model now agreed and schools selected</b>

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
2.4	Embed a whole school/college approach to mental health wellbeing	Jul 22	Shaun Cheeseman		<p>KPI: The Mental Health Support Teams are in school and operational.</p> <p>KPI: More than 90% of schools have an identified Senior Mental Health Lead</p>	Mental Health Leads being recruited, and schools have been identified
2.5	Ensure alignment of community children's health partnership services with those in Bristol and South Gloucestershire ensuring improved service quality and timeliness	Mar 22	Anna Clark		<p>KPI: 92% within 18-week referral to treatment target for Therapies, School Nursing and Community paediatrics</p> <p>KPI: Health Visitor checks 90% within 2.5 years</p> <p>KPI: Workforce– substantive recruitment data and vacancy rates</p>	<p>Autism diagnosis waiting list initiative underway</p> <p>Substantive Consultant Paediatrician recruited</p> <p>SEND lead Consultant Paediatrician redeployed permanently in North Somerset</p> <p>Child and Adult Mental Health Service (CAMHS) Consultant Psychiatrist recruited</p>

**Area 3 - The standards achieved, and the progress made by the children and young people with SEND were not good enough.**

**Area Leads – Secondary Heads in North Somerset (SHINS) / Primary Heads Across North Somerset (PHANS) / Special Education Needs Schools (SENS) / Lisa Manson (CCG) / Mark Hemmings (CCG) / Pip Hesketh (Education NSC)**

**Project Group - School Head Teachers and SENCOs / Jaida Aldred / Strategic Schools Forum**

**End Outcome - The standards achieved by CYP with SEND are in line with statistical neighbours. Increased parental confidence of parents and carers that mainstream school will meet their children's needs**

Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
3.1	May 22	Pip Hesketh  Secondary Heads in North Somerset  Primary Heads Across North Somerset  Special Education Needs Schools		KPI: A quarterly meeting of the School Standards Board is held during 2022 evidenced by the meeting minutes  KPI: More than 90% of schools have school Information reports  KPI: More than 90% of schools participate in Quality First Training  KPI: More than 90% of schools include the SEND Strategy in their School Improvement Plan  KPI: More than 90% of schools set Progress Improvement Targets  KPI: More than 90% of schools set Attainment Targets for Children with SEND  KPI: More than 90% of Progress targets are achieved for children with SEND at end year	Regular School Standards meetings have been reintroduced and will run alongside Education Excellence Partnership Board meetings.  Individual school data profiles for every school (Analyse School Performance (ASP)) have been compiled and shared with schools  Governor Training has been delivered and will be re-run in May 2022

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
					<p>KPI: Over 75% of children with SEND are attending educational provision for more than 25 hours a week</p> <p>KPI: Exclusions for children with SEND are reduced by 50%</p> <p>KPI: Warning Notices are issued for all unlawful exclusions (maintained schools) RSC notified for all Academies</p> <p>KPI: There are fewer children with SEND leaving to become EHE</p> <p>KPI: There is a reduction of children with SEND who are not in education, employment or training, with a target of less than 65%</p> <p>KPI: Increase the number of children with EHCP's attending mainstream school</p>	<p>Principles for Education Strategy to be discussed at Education Excellence Partnership Board on 1 February</p> <p>Quality First Teaching Programme for schools has been delivered and an additional course to be delivered in May 2022</p>
3.2	Implement high quality training across North Somerset schools for all staff and governors	Nov 22	<p>Pip Hesketh</p> <p>Secondary Heads in North Somerset</p> <p>Primary Heads Across North Somerset</p>		<p>KPI: More than 90% of schools have participated in Quality First SEND training</p> <p>KPI: More than 90% of schools have participated in Governor SEND Responsibilities training</p>	<p><b>Quality First Training has been delivered and will be rescheduled in May 2022.</b></p>

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
			Special Education Needs Schools		KPI: More than 90% of Progress targets are achieved for children with SEND at end year	
3.3	Ensure there is a SEND School Organisational Plan in place to address the issues raised by parents and partners to reduce the number of children in independent placements	Nov 22	Pip Hesketh Strategic Schools Forum		KPI: There is a 15% increase in children with SEND in mainstream schools by August 2022	SEND Demand Forecasts are being reviewed  Capacity in existing schools under review with planned expansion of Baytree School  New capacity through Social, Emotional & Mental Health Free School in Sept 2022  Places to be allocated to children with EHCP's on 15 February

**Area 4 - There were weaknesses in the variability of Education, Health & Care Plans, including the variable contributions from health and social care, and a lack of processes to check and review the quality of Education, Health & Care Plans**

**Area Leads** - Pip Hesketh (Education NSC) / **Wendy Packer (Inclusion, NSC)** / Lisa Manson (CCG) / Lorraine McMullen (Sirona)

**Project Leads** - Anthony Webster / Mandy Plumridge / Mark Hemmings / Guy Clayton / Shelley Caldwell/ Sarah Bishop / Mark Hemmings / Gerry Bates

**End Outcome - All agencies contribute fully and in a timely way to Education Health & Care Plans which are High Quality and Aspirational, with processes in place for monitoring the quality of plans.**

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
4.1	All Partners contribute to the Online Portal enabling systematic monitoring and quality assurance of plans  DCO & CCHP staff active members of EHCP QA process	May 22	Anthony Webster		KPI: Increase in the number of EHCP's on the Portal  KPI: 60% of all EHCP's on the Portal are being Quality Assured each month - this is a rolling target	The Portal is in place and being used  A Quality Assurance team now regularly reviews the quality of plans and further resources are being sought to increase the quality assurance work
4.2	Parents, carers and professionals have a good understanding of the EHCP Process including use of the Education, Health & Care Plan online Portal. Parents are clear how they can voice their views  Easy read for Education, Health & Care assessment and social story for what Education Health & Care assessment is. Build on the	Aug 22	Anthony Webster		KPI: More than 90% of parents on the EHCP Portal know how to voice their views	To be progressed in April 2022

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
	current easy read. Work with Children with Disabilities					
4.3	<p>All agencies to participate in development of Education, Health &amp; Care Needs Assessment in a timely way</p> <p>Good standard for advice givers drawn up on what is expected with advice.</p> <p>Guidance created for preparation for adulthood including use of resources (Direct Payments)</p>	May 22	Anthony Webster		KPI: 90% of agencies respond to requests for Education, Health & Care Needs Assessments within 6 weeks	Attendance and participation have increased. February participation to reported to the SEND Improvement Board
4.4	Quality assurance process of new plans is implemented which ensures all plans have SMARTER outcomes	May 22	Anthony Webster		<p>KPI: 65% of new EHCP's on the Portal are being Quality Assured each month See 4.1</p> <p>KPI: Following Quality Assurance, More than 90% new plans have confirmed SMART Outcomes</p>	<p>Additional Quality Assurance Resources are being sought but Quality Assurance Panel in place</p> <p>All members of the SEND Partnership Board have been tasked to report back on the training programme for their staff on the Outcomes Framework. All Early Years staff have</p>

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
						<p>undertaken this training</p> <p>SEND Casework Team to undertake SEND Casework Award commencing January 2022</p> <p>Recruiting to 2 x Senior SEND posts for QA</p>
4.5	A customer satisfaction questionnaire is added to Education, Health & Care Plan Portal letters (See 6.4)	May 22	Anthony Webster Mandy Plumridge		KPI: More than 90% of parents on the Education, Health & Care Plan Portal are satisfied with the process	<b>Complete – take up and effectiveness to be tested</b>
4.6	EHCP Annual Reviews – Health contributions	Nov 22	Gerry Bates		KPI: Target is for health partners to contribute to more than 90% but will work towards target of 80 % of EHCP annual reviews for CYP known to Community Health Services using graded response in 12 months	Memorandum of Understanding operational
4.7	In co-production with parents, the SEND Team and the Integrated Transport Unit (ITU) will develop methods of working which integrate assessment of travel needs with the EHCP	Nov 22	Huw Thomas		<p>KPI: To be confirmed following process review.</p> <p>Process in place which integrates assessment of travel needs in Education, Health &amp; Care Plan process</p>	<b>New internal process in place between SEND and ITU transport</b>

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
	process. This process will be trialled.				<p>Trial carried out</p> <p>Full process in place for all families</p>	

## Area 5 - Underdeveloped arrangements for joint commissioning

**Area Leads - Becky Hopkins (Social Care NSC) / Lisa Manson (CCG) / Alison Stone (Commissioning NSC) / Anna Clark (CCG)**

Project Team - Katherine Sokol, Strategic Schools Forum, Mark Hemmings, Kenton Mee, Martin Hawketts, Shelley Caldwell

### End Outcome – Arrangements for joint commissioning are well developed

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
5.1	Co-production Charter revised and relaunched  Embed formal meetings to consistently meet with young people, parents and carers to ensure their views are regularly, consistently and systematically contributing to improvement planning	May 22	Becky Hopkins Pip Hesketh Anna Clark		KPI: A quarterly meeting with parent and carer representatives is held during 2022 evidenced by the meeting minutes – ‘You Said We Did’.  KPI: SEND young people’s Council will meet monthly. Their views will be evidenced by meeting minutes and ‘You Said We Did’ reports.  KPI: Improvement plan adapted to include parent/carers and young people’s views.	<b>Established You Said, We Did</b>
5.2	Forward plan is co-produced, and priorities agreed for 2022 – 2025  There are evidence-based assessments of commissioning need based on qualitative and quantitative data	May 22	Alison Stone Anna Clark		KPI: There is a decrease of 65% of children placed out of authority  KPI: There is a decrease in the number of children in independent placements	JSNA completed  Forward Plan to be created February/March 2022
5.3	Move to a neurodiversity needs led support approach	Sept 22	Mark Hemmings		KPI: there is a reduction in number of children waiting beyond 18 weeks from	<b>Keyworker team – Team Leader and</b>

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
					<p>referral to completion for autism diagnosis assessment.</p> <p>KPI: All young people red on Dynamic Support register are allocated a keyworker</p> <p>KPI: Peer + Professional Autism Diagnosis Pathway Workshop data – 10 workshops held per annum</p>	<p><b>Admin recruitment complete</b></p> <p><b>Keyworker Team fully operational from 15/05/2022</b></p> <p><b>11 needs led projects identified and grant funded – go live 01.04.22</b></p> <p>NHSE funding secured for development phase of UX Digital Project – <b>procurement started for provider to take to next development stage</b></p>
5.4	Joint commissioning of North Somerset Parent Carers Working Together (NSPCWT)	Mar 22	Lisa Manson Alison Stone Kenton Mee		KPI: Formal meetings are in place to ensure that parent carers forum is part of the regular commissioning cycle.	<p>This has been agreed NSPCWT will be accommodated in 'The Firs' as an on-going base</p> <p><b>Meeting to be set up to discuss with Kenton/Pip/Sheila/Anna</b></p>

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 28 April 2022
5.5	Co-produce and embed a process that ensures a timely joined up transition from children's services to adult services for all children who are eligible	May 22	Martin Hawketts Shelley Caldwell		KPI: 85% of young people who use transition services are satisfied with their experience	SENDIAS and Parent Carer Forum have had oversight and the document is ready for sign off  Strategic discussion within North Somerset to consider structure of SEND casework team to create a 14+ service
5.6	North Somerset to identify resource currently committed to independent commissioned Occupational Therapy (OT) and Speech & Language Therapy (S&LT) reports and this to inform BNSSG Commissioning activity Revisit the contractual position re Sirona and Tribunals	August 22	Anna Clark/ Alison Stone		KPI: More than 90% of spot purchasing commissioned from single community provider	Financial envelope identified. Sirona can meet the commissioning contract. This is being drawn up between North Somerset and Sirona

**Area 6 - A lack of systems to track outcomes, including exclusions, for children and young people with SEND across the partnership.**

**Area Leads** - Amy Webb (Corporate Services NSC) / **Emma Diakou (Business Intelligence, NSC)** / Mark Hemmings (CCG) / Wendy Packer (Inclusion, NSC)

**Project Team** - Emma Diakou/Gerry Bates/Kate Blackburn/Mark Hemmings/Dave Ostry

**End Outcome: there are robust systems to track outcomes for children and young people with SEND across the partnership. These outcomes and associated targets are regularly reviewed by senior leaders**

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 25 January 22
6.1	A revised and updated JSNA informs a strategic understanding of the needs of children across North Somerset	January 2022	Emma Diakou		<p>KPI: JSNA has been published to include the following:</p> <ul style="list-style-type: none"> <li>• Published overview document</li> <li>• Published data dashboard</li> <li>• Published spotlight reports aligned to the life course</li> <li>• Published supporting ward profiles</li> </ul> <p>KPI: a bi-monthly meeting of the JSNA advisory group is held in 2022 as evidenced by the meeting minutes</p> <p>KPI: 3 webinars held to raise awareness of the JSNA across the area</p>	JSNA will be published at the end of January 22
6.2	All staff complete the Council for Disabled Children (CDC) Outcomes training and are aware of the North Somerset Joint Outcomes Framework (JOINS) and their responsibilities to children with SEND	Sept 22	Pip Hesketh		<p>KPI: CDC SEND Outcome training part of new staff induction and work towards more than 90% completion.</p> <p>KPI: CDC SEND Outcome training part of existing staff work towards more than 90% completion by September 2022</p>	<p>This is in place for Health Partners</p> <p>SEND Partnership Board members to report back in February Board on commitments to training within own teams</p>

	Action	By When	Responsible Officer	Action RAG	Key Performance Indicators - How we will measure progress	Progress 25 January 22
6.3	<p>An integrated SEND data dashboard will be shared across the partnership including Education Leaders and used to inform future service development and priorities.</p> <p>The board will commit to requesting deep dives on data within the dashboard where performance is poor, or the data indicates an emerging problem</p>	Feb 22	Emma Diakou / Mark Hemmings		KPI: A monthly data and performance dashboard is produced and presented to the SEND Partnership Board during 2022 evidenced by the meeting minutes	This is in place and will be a standing agenda item at both boards
6.4	<p>Customer satisfaction questionnaires to accompany key parts of service including health appointments and statutory needs assessment (See 4.5)</p> <p>A review will be undertaken of current mechanisms to gather satisfaction to ensure they are fit for purpose, if they are not new mechanisms will be developed, co-produced with young people and their parents and carers</p>	May 22	Sally Varley		KPI: Increased percentage of parents satisfied with their interactions and outcomes (to be confirmed following review)	Resourcing and capacity discussions underway

## Risk Register

**GREEN:** successful delivery is highly likely. There are no major issues at this stage that appear to threaten delivery.

**AMBER:** successful delivery appears feasible, but issues already exist that require management attention. These appear resolvable at this stage if addressed promptly.

**RED:** successful delivery appears unachievable. There are major issues which do not appear to be manageable or resolvable. These must be escalated for immediate management attention.

	Date	Risk	Severity Impact	Mitigation	Severity Impact Post mitigation	Post Mitigation
1	December 21	Partnership working deteriorates under operational pressure and additional scrutiny to perform highly	RED	1. Robust governance now in place  2. Partnership Communication circulated monthly  3. Joint working embedded throughout such as the SEND Partnership Board, Community of Practice/Inclusion Panels and Education, Health and Care Panels  4. Leadership Team of 4 agencies (Police included) have regular monthly meetings	AMBER	

	Date	Risk	Severity Impact	Mitigation	Severity Impact Post mitigation	Post Mitigation
				5. Regular temperature check with staff - how is the partnership working? Results fed into the SEND Improvement Board		
2	December 21	Relationship with Parent Carer Forum deteriorates/becomes adversarial	AMBER	<p>1. Partnership Communication on Local Offer</p> <p>2.
