Good morning,

With respect to your request for clarity on the latest timetable for the production of the north Somerset Local Plan, I can confirm that North Somerset Council are currently undertaking a revision to the Councils Local Development Scheme (LDS).

Following consideration of the responses to the Preferred Options Local Plan consultation which ended in April 2022, the consultation on the Pre-submission Plan (Regulation 19) will take place in April/May meaning the Local Plans submission to Secretary of State for examination will now take place in July 2023 rather than in January as the current LDS states.

The decision to update the LDS and the revisions being proposed are currently being advertised on the North Somerset Council website.

[December 2022 executive member decisions | North Somerset Council \(n-somerset.gov.uk\)](https://www.n-somerset.gov.uk/news/2022/12/05/december-2022-executive-member-decisions-n-somerset-council-n-somerset.gov.uk)

It is anticipated that a revised LDS will be published before the end of December 2022.

I can confirm that both your request for clarification and this response will be published on the following webpage as soon as possible.
