

West of England Enhanced Partnership Advisory Panel

Membership

March 2023

EP Advisory Panel Members

Involvement in the EP Advisory Panel is voluntary and the Local Transport Authorities (LTAs) have invited individuals to represent the stakeholders groups listed below.

After significant consideration of how to make the Advisory Panel representative of key stakeholders while also **effective**, **focused** and **relevant**, a tiered approach to membership will be taken. This should help ensure stakeholders remain engaged in the EP process. Advisory Panel members will fall into one of three categories:

Primary Panel Members - key stakeholders for which every meeting is likely to be relevant. Invited to attend all Advisory Panel meetings.

Secondary Panel Members - stakeholders for which only some initiatives or topics are likely to be relevant. Invited to attend as appropriate (decided by LTAs in consultation with the Chair).

Observing Members - Bus Operators that operate in the EP Area but which are not Primary Panel Members. Observing members can attend meetings but not contribute unless invited by the Chair.
