Allocation Sheet for Herons' Moor Academy

National Offer Day (17 April 2023)

Herons' Moor Academy has a Published Admission Number of 60.

101 preferences have been received for the school. It has, therefore been necessary to use the oversubscription criteria, as outlined below, to determine which of the applicants should be offered the places available.

The 60 available places have been offered to the following applicants:

Where a school is named in a child's Statement of Special Educational Needs or Education Health and Care Plan, the admission authority is legally required to admit the child to the school. Therefore, such children are allocated places before the admissions criteria, detailed below, are applied.

EHCP	Number of offers
The school is named in a Statement of Special Educational Needs or Education Health and Care Plan.	0

	Admissions criteria	Number of offers
1	Children in Care or Previously in Care (including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.	0
2	Children whose brother or sister attends Herons' Moor Academy and will continue to be in attendance in September 2023.	30
3	Children living closest to the school.	30

The distance between home and school for the last child offered a place was 0.960 miles.

To admit another child to the school would cause prejudice to the provision of efficient education or the efficient use of resources by reason of 'relevant measures', i.e. measures that would be required to be taken in order to ensure that the legal limit on class sizes of one teacher per 30 children is met at the school. Any appeals for places at the school are therefore 'infant class size prejudice cases'.
