

STATEMENT OF REASONS

NORTH SOMERSET COUNCIL
(A370 MAIN ROAD, BROCKLEY)
(RESERVED BUS LANES) ORDER 2023

As part of its approved Bus Service Improvement Plan (BSIP), North Somerset Council intends to provide new bus lanes at A370 Main Road, Brockley. The bus lanes are intended to reduce bus journey times and increase the reliability of the local bus services.

The bus lanes are proposed to be installed on each A370 Main Road approach to the traffic signals at Brockley Combe Road and Brockley Lane junctions. Both bus lanes will terminate at the traffic signals, which will be configured to allow buses to proceed before general traffic.

The bus lanes will be restricted to use by buses, hackney carriages, motor cycles and pedal cycles.

The changes will facilitate the passage on the road of buses, motor cycles, hackney carriages and pedal cycles.
