Date coming Into Force: 13 November 2023
Ref: SW23.24-214

Notice is hereby given that North Somerset Council in pursuance of the provisions of section 14(1) of the Road Traffic Regulation Act 1984, as amended, have made an order the effect of which will be to close, temporarily, to vehicles the lengths of roads specified in the Schedule to this Notice. Exemptions are included for emergency services, works access, works vehicles, and as works permit for premises which may only be accessed via the closed section of road.

This order was required because of the likelihood of danger to the public consequent upon work by Bristol Water to connect new supply. This will become operative on the 13 November 2023 for a maximum period of eighteen months. However, the closures may not be implemented for the whole of the period but only as necessitated by the works which is anticipated to be of 3 days in duration. Appropriate traffic signs will be displayed when the measures are in force.
