National Offer Day (1 March 2024)

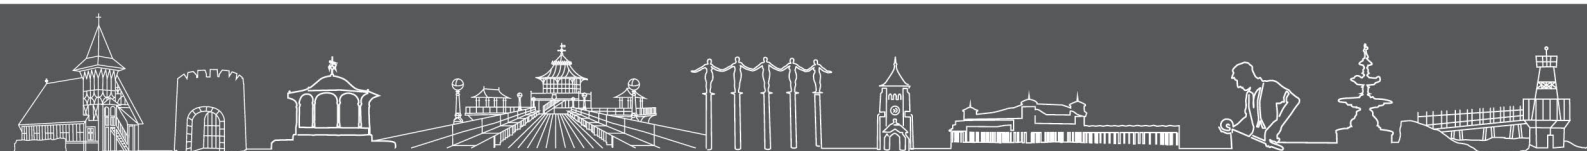

The school has a Published Admission Number (PAN) of 270.

The places have been offered to the following applicants:

	Number of offers
Where a school is named in a child's Education Health and Care Plan (EHCP), the admission authority is legally required to admit the child to the school. Therefore, such children are allocated places before the admissions criteria is applied.	2

	Admissions criteria	Number of offers
1	Looked-after children at the time of application and children who were previously looked after but ceased to be so because they were adopted (or became subject to a Child Arrangements Order or Special Guardianship Order) immediately following having been in Care.	0
2	Children who reside within Backwell School's First Geographical Area with a sibling on roll at the school at the time of application who will still be on roll at the time of admission, and who lives at the same home address.	85
3	Children living in Backwell School's First Geographical Area.	88
4	Children who reside outside the First Geographical Area who have a sibling on roll at the school at the time of application who will still be on roll at the time of admission, and who lives at the same home address.	38

5	Children of Backwell School staff employed on a permanent contract by the school for at least two years at the time of application, or where the member of Backwell School staff has been recruited to fill a post for which there is a demonstrable skill shortage. This does not include staff who work on the school site for other employers.	1
6	Children not in the above categories.	56

The distance between home and school for the last child offered a place was 9.651 miles, as measured in a direct line.

Any applicants not offered a place at the school have been refused because there were more applications received than places available at the school. The oversubscription criteria was applied to determine who qualifies for a place.

To admit any further children would cause prejudice to the provision of efficient education or efficient use of resources, as set out in the School Admissions Code 2021.
