

# Places available in secondary schools

## 2024-25 bulk intake

If you wish to apply for any of these schools, you must apply in writing to your home Local Authority. If a school has vacancies, there are no guarantees that a place can be offered to your child, as we may receive more applications than places available and need to apply the oversubscription criteria.

For a complete list of schools in North Somerset, please read the [Parents' Guide to Transferring to Secondary School](#).

If your preferred North Somerset school does not appear in the list below, this means it is already full. You can still apply for a school that is already full, however your chances of gaining a place are greatly reduced.
