Where a school is named in a child's Education Health and Care Plan (EHCP), the admission authority is legally required to admit the child to the school. Therefore, such children are allocated places before the admissions criteria is applied.	16

This does not include staff who work on the school site for other employers.	8

The distance between home and school for the last child offered a place was 2.347 miles, as measured in a direct line.

Any applicants not offered a place at the school have been refused because there were more applications received than places available at the school. The oversubscription criteria was applied to determine who qualifies for a place.

To admit any further children would cause prejudice to the provision of efficient education or efficient use of resources, as set out in the School Admissions Code 2021.
