

# Summer Reading Challenge 2024

## Library Service

### Purpose of the role:

To assist staff in the running of the annual Summer Reading Challenge, for children aged 4 – 11. The Challenge aims to give children something enjoyable to do during the holidays, prevent any dip in their literacy levels and encourage a love of reading for pleasure. Children are asked to read 6 books and discuss their reading with library staff and volunteers. They are given incentives such as stickers and are awarded a medal and certificate upon completion.

### Main tasks and activities may include:

- Registering children onto the scheme.
- Listen to the children, actively encouraging them to talk about books and reading.
- Encourage children to continue reading and complete the Challenge.
- Give out stickers and other incentives.
- Help children, and their parents / carers, to select the child's next 'good read'.
- Prepare additional materials for the children to use during the Challenge e.g. colouring sheets, activity sheets.
- Help staff at any linked events e.g. special activities.
