

# Places available in Reception and Junior schools

## 2024-25 bulk intake

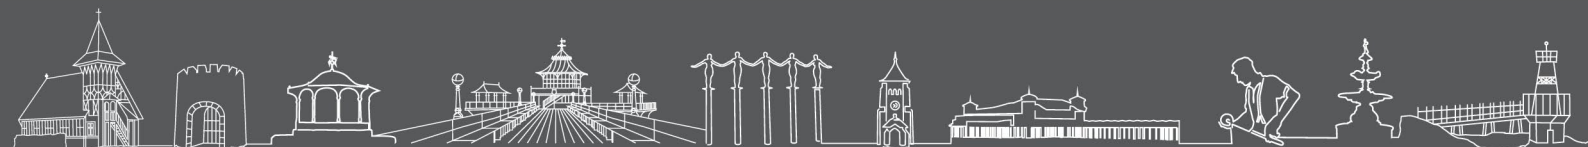

If you wish to apply for any of these schools, you must apply in writing to your home Local Authority. Please note that, even if a school has vacancies, there is no guarantee of a place being offered as more late applications than the number of vacancies available may be received.

For a complete list of schools in North Somerset, please read the Parents' Guide to Starting School which is available at <https://n-somerset.gov.uk/my-services/schools-learning/school-admissions/apply-school-place/parent-guides>

If your preferred North Somerset school does not appear in the list below, this means it is already oversubscribed. You are still able to apply for a place at the school, but all applications will be refused, and you will be able to request to be added to the waiting list.
