4	Children with a sibling (who will be on roll in the September they start) living outside the Academy's Area of Prime Responsibility.	17

The distance between home and school for the last child offered a place was 1.884 miles, as measured in a direct line.

Any applicants not offered a place at the school have been refused because there were more applications received than places available at the school. The oversubscription criteria was applied to determine who qualifies for a place.

To admit any further children would cause prejudice to the provision of efficient education or efficient use of resources, as set out in the School Admissions Code 2021.
