

Community Learning Courses 9th July 2024

Community Learning offers short courses for adults living in North Somerset (minimum age 19)

Our courses will help to build skills and confidence for work, volunteering and wellbeing. Priority places are given to those who are in receipt of certain benefits or with few or no qualifications.

All our courses are FREE for priority learners and held both face to face and remotely.

Due to our funding each person can attend only one course at a time –
and are welcomed and encouraged to join follow-on courses.

If you are interested in any course that has already started, please contact the relevant person. They may be able to run the course again and will be happy to add you to a waiting list if they think the course is suitable for you.
