NOTES

Indicative Plant Species
All planting species and location dependent of detailed design.

Indicative Woodland Species:
Penduculate Oak (*Quercus robur*), Goat Willow (*Salix caprea*), Osier (*Salix viminalis*), White Willow (*Salix alba*), Alder (*Alnus glutinosa*), Hazel (*Corylus avellana*), Field Maple (*Acer campestre*) and Common Silver Birch (*Betula pendula*).

Indicative Orchard Species:
Helen's Apple (*Malus domestica* 'Helen's Apple'), Amanda's Apple (*Malus domestica* 'Amanda'), Ashton Brown Jersey Apple (*Malus domestica* 'Ashton Brown Jersey'), Three Counties Apple (*Malus domestica* 'Three Counties'), Ashton Bitter Apple (*Malus domestica* 'Ashton Bitter'), Fiona's Apple (*Malus domestica* 'Fiona'), Vicky's Apple (*Malus domestica* 'Vicky'), Avalon Plum (*Prunus domestica* 'Avalon') and Gina's Delight Plum (*Prunus subsp* 'WJ63-Gina's Delight').

Indicative Native Tree Species:
Field Maple (*Acer campestre*), Alder (*Alnus glutinosa*) Goat Willow (*Salix caprea*), Rowan (*Sorbus aucuparia*) and Black Poplar (*Populus nigra*).

Indicative Native Hedgerow Mix Species:
Field Maple (*Acer campestre*), Dogwood (*Cornus sanguinea*), Hazel (*Corylus avellana*), Hawthorn (*Crataegus monogyna*), Silver Birch (*Betula pendula*) and Dog Rose (*Rosa canina*).

Indicative Native Shrub Species:
Hazel (*Corylus avellana*), Hawthorn (*Crataegus monogyna*), Holly (*Ilex aquifolium*), Dogwood (*Cornus sanguinea*), Blackthorn (*Prunus spinosa*), Dog Rose (*Rosa canina*), Goat Willow (*Salix caprea*) and Guelder Rose (*Viburnum opulus*).

Indicative Aquatic Species for Field Ditches:
Lesser Water Parsnip (*Berula erecta*), Tubular Water-dropwort (*Oenanthe fistulosa*) and Water Plantain (*Alisma plantago-aquatica*).

Indicative Aquatic Marginal Species for Field Ditches:
Ragged-Robin (*Lychnis flos-cuculi*), Brookweed (*Samolus valerandi*), Brooklime (*Veronica beccabunga*), Water Mint (*Mentha aquatica*), Marsh Bedstraw (*Galium palustre*), Red Sweet Grass (*Glyceria maxima*) and Meadowsweet (*Filipendula ulmaria*).

Indicative Ornamental Planting Bed Species:
Bergenia (*Bergenia cordifolia*), Dogwood (*Cornus sanguinea*), Midwinter Fire (*Cornus sanguinea* 'Midwinter Fire'), Lavender 'Hidcote' (*Lavandula angustifolia* 'Hidcote'), Purple Sage (*Salvia officinalis* 'Purpurascens'), Pale Yellow Eye Grass (*Stachys palustris*), Marsh Woundwort (*Stachys palustris*) and Viburnum (*Viburnum davidii*).

Indicative Species Rich Grass Mix:
Emorsegate Basic General Purpose Meadow Mixture- EM1

ALL PROPOSED TREE LOCATIONS SUBJECT TO DETAILED DESIGN AND SUITABLE PLANTING DETAILS.
