

Errata to the Council's Flood Risk Sequential Test evidence	
Planning Inspectorate reference	APP/D0121/W/24/3343144
Local Planning Authority reference	23/P/0664/OUT
Evidence location	Correction
Main proof, page 15, footnote 25	The correct date for the SHLAA is November 2023, not August.
Main proof, page 22, footnote 40	Ref MH5B is found on page 49 , not 50, of the Appendices document.
Main proof, page 22, footnote 42	Appendices references MH6 and MH6A should read MH5 and MH5A . The relevant page ref for MH5A is page 47 of the appendices document.
Main proof, page 28, footnote 51	Correct CD ref is B10 , not B1.
Main proof, page 31, footnote 61	Correct CD ref is B10 , not D1.
Appendix MH4, Table MH4a	The table omits some disputed site references in the final column against SHLAA sites. An up-to-date agreed set of SHLAA site references for each of the 36 disputed sites is being agreed in a Statement of Common Ground regarding the Flood Risk Sequential Test. This reflects the wider set of agreed, disputed sites between the parties and addressed in evidence.
