### **NORTH SOMERSET COUNCIL**

#### **(KENN STREET, KENN 20 MPH & 40 MPH SPEED LIMIT RESTRICTIONS NORTH SOMERSET) CONSOLIDATION ORDER 2024 (VARIATION No.2) ORDER 2025**

North Somerset Council proposes to introduce the speed limits of 20 mph & 40 mph on Kenn Street, Kenn and 20 mph on Duck Lane, Kenn.

The proposed speed limits seek to reinforce people's assessment of what is a safe speed to travel. They are designed to develop safer environments within the road system, encourage greater pedestrian movement and more cycling and to reduce the danger to persons or traffic using the road.

Speed data suggests that actual speeds for these roads are suitable for the proposed changes to the existing speed limits.
