

**Statement of Reasons**  
**NORTH SOMERSET COUNCIL**  
**(QUEENS ROAD, NAILSEA, NORTH SOMERSET)**  
**30 MPH SPEED LIMIT ORDER 2025**

North Somerset Council proposes to replace the 40mph speed limit on Queens Road, Nailsea with a 30 mph speed limit.

The proposed speed limit seeks to reinforce people's assessment of what is a safe speed to travel. It is designed to develop a safer environment within the road system, encourage greater pedestrian movements and more cycling, and to reduce the danger to persons and traffic using the road.
