

Independent auditor's report to the members of North Somerset Council

In our auditor's report issued on 28 November 2024, we explained that we could not formally conclude the audit and issue an audit certificate for North Somerset Council ('the Authority') for the year ended 31 March 2024 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice, until we had completed the work necessary in relation to consolidation returns, including Whole of Government Accounts (WGA), and the National Audit Office (NAO) had concluded their work in respect of WGA for the year ended 31 March 2024.

The NAO have now concluded their work in respect of WGA for the year ended 31 March 2024 and confirmed that audit certificates that are open in relation to this can be issued. We are therefore satisfied all audit work necessary has been completed.

Opinion on the financial statements

In our auditor's report for the year ended 31 March 2024 issued on 28 November 2024 we reported that, in our opinion the financial statements:

- give a true and fair view of the financial position of the group and of the Authority as at 31 March 2024 and of the group's expenditure and income and the Authority's expenditure and income for the year then ended;
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24; and
- have been prepared in accordance with the requirements of the Local Audit and Accountability Act 2014.

Report on other legal and regulatory requirements - the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2024.

In our auditor's report for the year ended 31 March 2024 issued on 28 November 2024 we reported that:

We have nothing to report in respect of the above matter except on 14 November 2024 we identified a significant weakness in how the Authority plans and manages its resources to ensure it can continue to deliver its services. This was in relation to the dedicated schools grant (DSG) deficit. The DSG deficit is projected to increase each year up until 2027-28 with the cumulative deficit forecast to rise to £43.5m by 31 March 2028. The Council has identified significant issues with delivering the agreed reductions to the annual DSG deficit as part of the safety valve agreement. We recommend that the authority:

- Take action to reduce the annual DSG deficit.
- Seek to agree a revised safety valve agreement with the department of Education that provides for a realistic trajectory to achieve financial balance for DSG.

No matters have come to our attention since that date that would have resulted in any additional exception reporting on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2024.

Responsibilities of the Authority

The Authority is responsible for putting in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

Auditor's responsibilities for the review of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to be satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We undertake our review in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in November 2024. This guidance sets out the arrangements that fall within the scope of 'proper arrangements'. When reporting on these arrangements, the Code of Audit Practice requires auditors to structure their commentary on arrangements under three specified reporting criteria:

- Financial sustainability: how the Authority plans and manages its resources to ensure it can continue to deliver its services;
- Governance: how the Authority ensures that it makes informed decisions and properly manages its risks; and
- Improving economy, efficiency and effectiveness: how the Authority uses information about its costs and performance to improve the way it manages and delivers its services.

We document our understanding of the arrangements the Authority has in place for each of these three specified reporting criteria, gathering sufficient evidence to support our risk assessment and commentary in our Auditor's Annual Report. In undertaking our work, we consider whether there is evidence to suggest that there are significant weaknesses in arrangements.

Report on other legal and regulatory requirements – Audit certificate

We certify that we have completed the audit of North Somerset Council for the year ended 31 March 2024 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice.

Our audit work has been undertaken so that we might state to the Authority's members those matters we are required to state to them in an auditor's report and for no other purpose.
