

Statement of Reasons

NORTH SOMERSET COUNCIL

(SPEED LIMIT RESTRICTIONS, NORTH SOMERSET) CONSOLIDATION ORDER 2024 (VARIATION NO. 7 ORDER 2025)

Revocation of existing Orders associated with the National Grid Works and re- instatement of the previous Orders – (A371 Castle Hill / Banwell Road, & A368 Towerhead Road and Station Road)

North Somerset Council proposes to extend the existing 50mph speed limit on A371 Castle Hill. The remaining sections of roads will revert to National Speed limit

The proposed speed limit changes are intended to remove the speed limits introduced to create bellmouth junctions associated with the National Grid works. As the speed limits are no longer required because the National Grid works have been completed the speed limits of the road can revert to what they were prior to the works
