

Weston Central RPS terms and conditions (Area W01)

Section 1 - Definitions

1. 'Household' shall mean a single address.
2. 'Resident' shall mean a member of a household within the scheme area that holds a provisional or full driving licence
3. 'Scheme area' shall mean those streets listed in section 8 below
4. 'Visitor' shall mean any person not eligible for a residents permit in the scheme area.
5. 'Business' shall mean a trade, profession or vocation which is registered for Business rates within the scheme area.
6. 'Customer' shall be the user of a permit which has been purchased by a business in the scheme area.
7. 'Carer' shall be a resident that requires regular and substantial care to a person who receives a qualifying disability benefit.

Section 2 - Use

1. Residents only parking bays will operate Monday to Saturday 8am to 7pm, including all bank holidays (except Christmas Day and Boxing Day) with no time limit.
2. Residents, business, customer, visitor and carer permits enable holders to park for unrestricted periods and without additional charge within bays designated as 'permit holders only' within the W01 resident parking zone during the times of operation of the scheme.
3. Parking bays may be suspended temporarily as required
4. Abuse of the permit system may result in the cancellation of permits with no refund.

Section 3 - Residents permits and costs

1. The number of permits available for purchase will be established by household not resident and subject to further conditions in section 5.
2. All permits will be 'virtual'(electronic) – allocated to vehicle registrations on the council's database, removing the need for permits to be displayed on each vehicle.
3. There shall be 3 types of resident permit available:
 - a. Type D which allows the vehicle to be parked in resident parking bays within the W01 resident parking scheme area. The cost of a permit shall be £60.00 per annum. Maximum of one permit per household.
 - b. Type E which allows the vehicle to be parked in resident parking bays within the W01 resident parking scheme area -or- within Locking Road Long Stay Car Park. The cost of a permit shall be £150.00 per annum. When this car park is closed such as during Carnival an alternative will

not be offered. Car park conditions apply. Maximum of one Type D or Type E permit per household.

- c. Type F which allows residents to park in Locking Road car park. The cost of these permits is £90 per annum. When this car park is closed such as during Carnival an alternative will not be offered. Car park conditions apply. There is no limit on the number of permits that are applied for.

Section 4 - Visitor permits and costs

1. All visitor permits will be electronically registered (i.e. no paper-based permits) via a resident permit account which would need to be setup. The fee to setup an account is £0.00 (households who do not wish to buy a resident permit may purchase visitor permits via this account).
2. Resident permit account holders can add visitor permits to their electronic MiPermit account up to a maximum 500 visitor hours per annum.
3. The fee will be £25.00 for 250 hours, valid for 3 years from date of purchase.
4. Entitlement to visitor hours are per household per annum.
5. An additional allocation of 250 hours will be available to those residents requiring regular visits by a carer charges at the same rate as the first 250 hours. Evidence of the receipt of a qualifying disability benefit such as Personal Independent Payment (PIP) and/or Carers Allowance and/or other evidence of care will be required to qualify for additional visitor permit hours.
6. Visitor and carer permits can be used for parking within resident parking bays within the W01 resident parking scheme area.
7. No refunds will be given for visitor or carer permits.

Section 5 - General terms and conditions

1. There is a limit of one resident permit per household.
2. Each permit will be allocated to a vehicle registration number.
3. Proof of residency shall be required via a council tax reference number.
4. For vehicles to be eligible to park within the scheme area, they must not:
 - a. be designed for more than 8 passengers (not counting the driver)
or;
 - b. be a commercial vehicle with a maximum laden weight above three and a half tonnes
5. A copy of the V5C for the vehicle and a copy of the owners driving licence shall be provided to Parking Services. Both the vehicle and owner must be registered at the household. Failure to supply will result in the application being rejected.
6. Residents with company vehicles and lease vehicles shall provide to Parking Services proof from their company/agent that supports the requirement for the vehicle to be parked at their address. Failure to supply will result in the application being rejected.

7. Any permit issued by the council is in respect of the vehicle registration number and the residential address or business name and address. Parking Services must be notified if any of the following applies:
 - a. The applicant ceases to reside at the address to which the permit is issued;
 - b. The applicant no longer keeps a vehicle registered for a permit (The applicant is responsible for keeping the correct vehicle registration on the virtual permit and will be required to surrender this permit).
8. New residents shall apply for a new permit and existing permits cannot be passed or transferred. The old permit will be cancelled and a refund offered in line with the terms and conditions.
9. Permits remain the property of North Somerset Council and can be revoked at its absolute discretion
10. North Somerset Council reserves the right to cap the number of permits if there is evidence that the available on-street parking is over-subscribed.
 - a. If this is necessary then a waiting list will be operated with resident permits being offered to households in a chronological order from the date of the application being received.
 - b. Addresses in which residents do not comprise a single household shall be entitled to an allocation per household.
11. Registration numbers can be changed by the user online free of charge.
12. Permits are for use by residents only.
13. Refunds shall be given on application based on the whole months remaining on the permit at the date surrendered.
14. Any future conversion of a property into multiple households may still be restricted to a single resident permit if there is still a single council tax reference.
15. All vehicle parked in any bay on street or car park must comply with all relevant legislation such as insurance, MOT and Tax and be in a roadworthy condition. Failure to comply may mean the permit is no longer valid and a Penalty Charge Notices may be issued.

Section 6 - Business permits and customer permits

1. Dedicated business and customer permits for parking in Resident Parking Bays in Area W01 can be applied for on-line.
2. Business permits are for operational vehicles that are insured for business use. You can have one vehicle on each permit so you can swap the permit between the vehicles. It will only cover one vehicle at a time.
3. Customer permits can be used by any vehicle. Businesses can apply for up to five permits.
4. Any combination of business and customer permits may be purchased, up to five in total.
5. The cost of business and customer permits are £200 each per annum.

Section 7 – Additional permits

1. Dedicated medical permits may be applied for via the council's website. Terms and Conditions apply

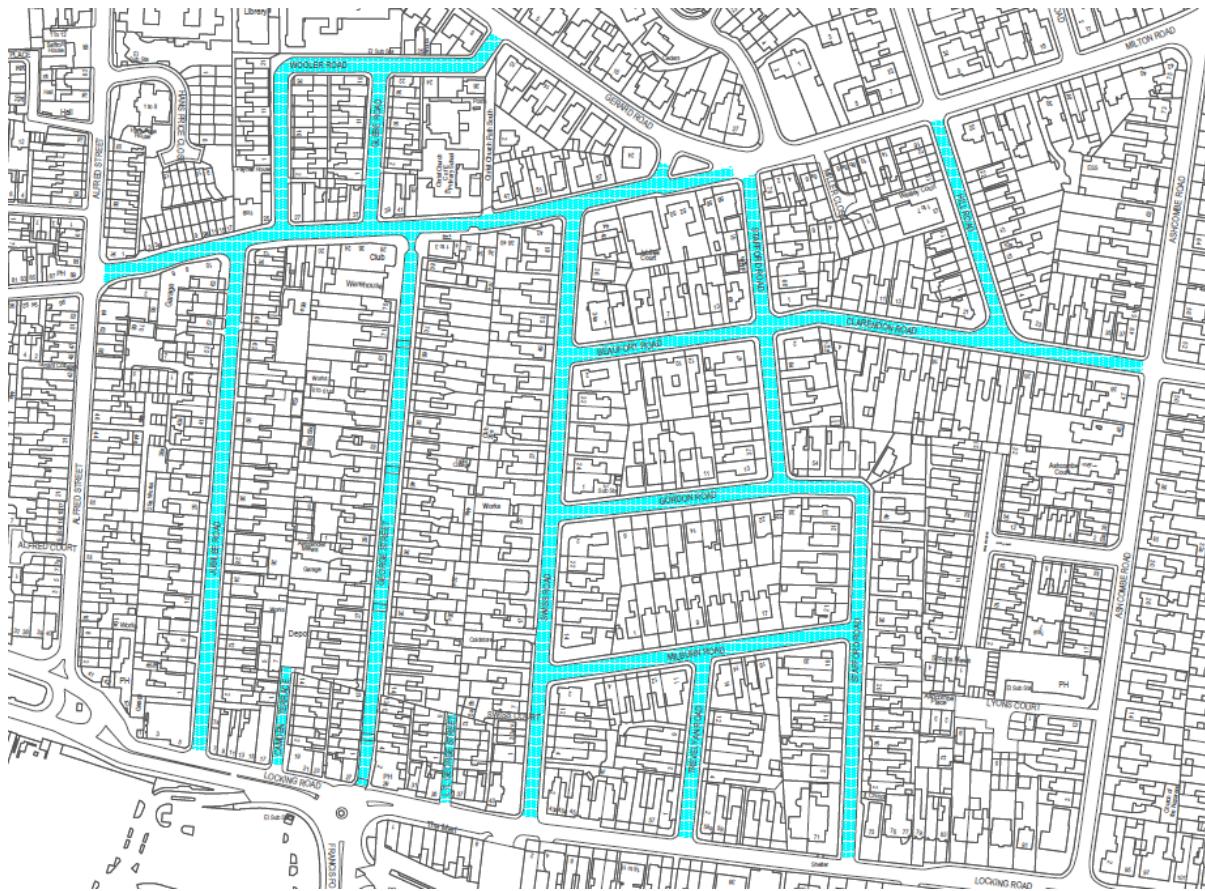

2. Dedicated trade permits can be applied for from the Council's Parking Services team. Trade permits can be used in both resident and pay and display bays.

Section 8 - List of resident permit eligible streets

Permits may be applied for only if you are a resident or business listed in the following streets:

- Baker Street
- Glebe Road
- Wooler Road
- Jubilee Road
- George Street
- Swiss Road
- Hill Road
- Stafford Road
- Beaufort Road
- Clarendon Road
- Gordon Road
- Milburn Road
- Trevelyan Road
- Little George Street
- Camden Terrace

Section 9 – Map of scheme area

Section 10 – Blue badge access

1. Blue badge holders are not permitted to park in resident permit bays W01 without a residents permit.
2. Blue badge holders may park in blue badge bays in line with national policy.
3. Blue badge holders can park in limited waiting parking bays free of charge and without time limit, in line with national policy, provided they clearly display a valid blue badge in the windscreen of the vehicle.

Section 11 - Review

Term and Conditions may be reviewed and adjusted to balance the demands from different users.
