

Allocation sheet for Clevedon School

Transfer to secondary school 2026/27 bulk intake

National Offer Day (2 March 2026)

The school has a Published Admission Number (PAN) of 240.

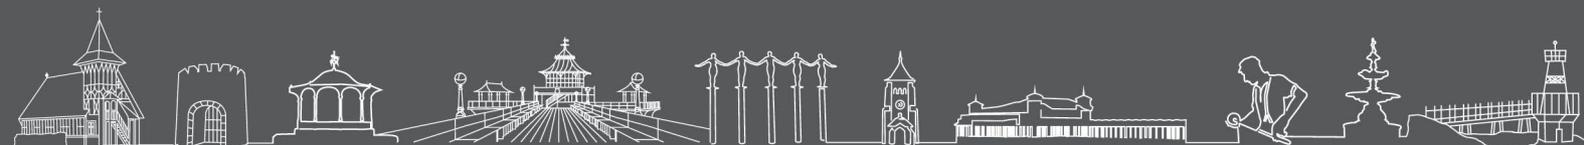

440 preferences have been received for the school. It has, therefore been necessary to use the oversubscription criteria, as outlined below, to determine which of the applicants should be offered the places available.

The places have been offered to the following applicants:

| EHCP's | Number of offers |
|---|------------------|
| Where a school is named in a child's Education Health and Care Plan (EHCP), the admission authority is legally required to admit the child to the school. Therefore, such children are allocated places before the admissions criteria is applied. | 15 |

| | Admissions criteria | Number of offers |
|---|---|------------------|
| 1 | Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care. | 2 |
| 2 | Children living in Clevedon Academy's Catchment Area with a sibling who will be attending the school (not including where the sibling has only joined the school for 6th Form education). | 90 |
| 3 | Children living in Clevedon Academy's Catchment Area living closest to the school. | 128 |
| 4 | Children living outside Clevedon Academy's Catchment Area with a sibling who will be attending the school (not including where the sibling has only joined the school for 6th Form education). | 5 |
| 5 | Children living outside Clevedon Academy's Catchment Area living closest to the school. | 0 |

Within each criterion, priority is given to children living closest to the school measured in a direct line.

The last child offered a place in this round is in criterion 4 at a distance of 4.610 miles, as measured in a straight line.

Any applicants not offered a place at the school have been refused because there were more applications received than places available at the school. The oversubscription criteria was applied to determine who qualifies for a place.

To admit any further children would cause prejudice to the provision of efficient education or efficient use of resources, as set out in the School Admissions Code 2021.
