

Availability in secondary schools

2026-27 bulk intake

If you wish to apply for any of these schools, you must apply to your home Local Authority.

If a school has vacancies, there are no guarantees that a place can be offered to your child, as the school may receive more applications than places available. The school's oversubscription criteria, which is available in the [parents' guide](#), will be used to determine who can and cannot be offered.

You can still apply for a school that is already full. Once your application has been processed you can request to be added to the waiting list.
